

That's it ! At last ! The wait is finally over !

Full Ace is now available in its official release, from [our shop](#) , at a price of 15 €. **You will need an active Internet connection every time you want access to the following features**

(you can use the

[updated demo](#)

to ensure your computer is able to communicate with our server).

Here's a list of version 1.0 additions over demo :

- **Full length matches**

You can set up an exhibition in 1, 3, or 5 sets and choose the tiebreak rule.

- **Split screen**

Play an exhibition match against a friend on the same computer with this mode.

- **Complete database with full player edition features**

Including more than 200 players, 40 tournaments, 41 stadiums. All players are fully editable, and there is no limit on the number of players you can create.

- **Tournament mode**

Compete in a single tournament. You can choose an existing tournament in the database, or create your own tournament, choosing stadium, set rules, table size and competitors.

- **Season mode**

Compete in a full season with all 40 FA tournaments. Build your way to the top of the FA tour rankings.

- **Game saves**

Of course you can save and load your progress in both tournament and season modes. But you can also save during a match, at the end of each set.
